Product highlights

Black Hibri picture tube
Black HiBri is a TV tube technology used on Philips small-screen TVs, giving good colour reproduction on smaller sets.

Crystal Clear
Combining picture enhancements like Contrast Plus and colour improvement, Crystal Clear improves picture depth.

Sharpness adjustment

FM radio (TV)
An FM radio capable of storing 40 preset stations is built in. On-screen station naming makes navigation simple, and a handy Clock Screensaver is also included for use while listening.

Plug & Play
Plug & Play gives you the ability to install or add a new component and have it work without having to perform any complex installation procedure or technical analysis.

Smart Picture & Smart Sound
Philips preset modes for Smart Picture and Smart Sound provide you with direct access via a single key on the remote control. You can select optimised picture and sound settings for the various picture modes such as Eco, Natural, Rich, Multimedia and Personal, and sound modes such as Movie, Voice, Music and Personal. Do refer to the DFU for the various picture and sound smart modes.

10 page Smart Text
Teletext is a common system transmitted by most broadcasters. 10 page smart text gives you fast access to information when changing pages.

Front stereo AV & headphone
Front AV Input makes it much more convenient to connect external devices like audio equipment, games and video cameras. It's the easy way to enjoy an extra audio sensation or a totally immersive gaming experience.
